

UOL Eating Center

Organizer's Note: please invite all your UOL friends, this is an open feast for all UOL students and staff of all semesters.

please take most titles and texts as jokes, this is just a small feast organized by your serial foodie

Feast menu:

Protien:

- **Signature Smoked Brisket™**

Delicious chunk of smokey beef, cooked for 16 hours in true texas Low-N-Slow style, for an unmatched Tenderness and taste. Risk of serious addiction

- **Succulent Lamb Ribs**

Some things need to be experienced, and topping the list is those perfectly grilled lamb ribs. Perfected egyptian style marination combined with premium grade ribs make for one mouth watering spectacle.

caution: risk of drool.

caution: might ruin all kebab shops

Carbs:

- **Royal Sausage Pasta**

Not all carbs are created equal, and this sausage pasta knows it. Towering the carb heirarchy, this dish got style, got sass, and with each bite it bites back. worthy of italian royalty and deserving of love, every

fork will have you shouting "mama mia!"

soup

- **Elite Squad Mushtoom soup**

Now mushrooms have been touted for their health benefits, great taste, and versatility. then there are shrooms, touted for their amazing hallucenegenic potency. i present you you this fine creation. your mind will be blown sky high. all the drugging, none of the drugs

editors note: mushroom soup image was missing. please enjoy my signature loaded potatoes image instead.

Salad

- **Mideteranian Tzatziki Salad**

have you been to greece? neither have i, but if you inhale a blunt of weed and then eat this salad, you may be blessed with the scenery of the mediteranian sea, beatiful houses, and gorgeous people. in that case, you are way too high. fresh greenery, saucy greek dressing, and tender steak mix to practicaly dance on your taste buds.

Dessert

- **Zesty Lemon Tart**

Few people on earth deserve a bite, fewer deserve a second. Zesty, Sweet, Addictive. Eat them quick, or you risk broken freindships. Dont believe me? perfect, ill have your piece please. alternatively ask fellow students who witnessed the greatness last year.

"best thing ive ever tasted" -Someone, probably.
